Individuals who satisfy one of the following requirements:

- (1) Individuals who have graduated from high schools or secondary schools, or those who are expected to graduate from high schools or secondary schools by March 31, 2014
- (2) Individuals who have completed twelve years of regular school education through regular educational curriculums (including those who have completed school education equivalent to that provided for herein through other educational curriculums than those provided for herein), or those who are expected to complete the said education by March 31, 2014
- (3) Individuals who have completed twelve years of school education outside Japan or those who are expected to complete the said education outside Japan by March 31, 2014, or those who have been recognized as having achievement equivalent to the said individuals and who are designated by the Minister of Education, Culture, Sports, Science and Technology
- (4) Individuals who have completed a program of an educational institution overseas, which have been authorized by the Minister of Education, Culture, Sports, Science and Technology as having a program equivalent to that of a high school, or those who are expected to complete the said program by March 31, 2014
- (5) Individuals who have completed or expected to complete upper secondary curriculums of specialized training colleges (limited to courses which satisfy the criteria established by the Minister of Education, Culture, Sports, Science and Technology, such as an enrollment period of three years or longer which is required for completion of the relevant course) designated separately by the Minister of Education, Culture, Sports, Science, on or after the date designated by the Minister of Education, Culture, Sports, Science and Technology or those who are expected to complete the relevant curriculums by March 31, 2014
- (6) Individuals who are designated by the Minister of Education, Culture, Sports, Science and Technology

- (7) Individuals who have passed the High School Equivalency Examination under the Ruling on the High School Equivalency Examination (including those who have passed the University Entrance Qualification Examination (hereinafter referred to as “OLD EXAMINATION”)) in accordance with the provisions of Article 2 of the additional provisions of the Ruling on the University Entrance Qualification Examination (hereinafter referred to as “OLD RULING) before the OLD RULING was repealed
  - (8) Individuals who have been admitted to universities in accordance with the provisions of Article 90, Paragraph 2 of the School Education Law of Japan, and who have been recognized as having scholastic ability appropriate for education at the University of Aizu
  - (9) Other than those individuals provided for in the preceding items, individuals who have been recognized by the University President through examination of qualifications for application to the University of Aizu as possessing scholastic ability equivalent to or higher than that of a high school graduate, and who will have reached the age of eighteen by March 31, 2014.
- ※ With regard to applicants for the AY 2014 October Admission, the date, “March 31, 2014”, shall be read as “September 30, 2014” in the application qualifications described above.

#### 4. Application Procedures

##### (1) Application Method

Applications must be submitted in person or by postal service.

In the case that you will bring the applications directly to the University, please submit the documents to the Student Recruiting Section of the Student Affairs Division, the Department for Student Affairs. Applications will be accepted from 9:00 a.m. to 5:00 p.m. (excluding non-working days for the University).

##### (2) Deadlines for Completion of Application Procedures

(Applicants residing in Japan)

April Admission: Friday, February 14, 2014 (The date of the official postmark on the envelope will be accepted as the date the application was received.  
The same shall apply hereinafter in 4-(2))

October Admission: Friday, August 15, 2014

(Applicants residing outside Japan)

April Admission: Friday, November 15, 2013

October Admission: Thursday, May 15, 2014

##### (3) Applications must be sent to:

The Student Recruiting Section of the Student Affairs Division,  
The Department for Student Affairs, The University of Aizu

Tsuruga, Ikki-machi, Aizu-Wakamatsu, Fukushima, 965-8580, JAPAN

(4) Application Documents (Fill in the provided forms clearly either in Japanese or in English.)

① Admission Application Form (prescribed form)

② Application Fee: 9,800 yen (for AY 2013)

The application fee should be paid to the bank account designated by the University of Aizu as noted below. Please make sure to attach proof of payment of the fee to the back of the admission application form.

Method: Bank transfer

Bank Name : Toho Bank, Aizu Branch

Account No. : 2268703

Account Holder: Public University Corporation, The University of Aizu

SWIFT code : TOHOJPJT

For notes on money transfers to be made by applicants residing outside Japan, please refer to item (5) "Points to note", Item① below.

※ The application fee for AY 2014 (the amount and the method of payment) is subject to change.

③ Academic Transcript and (Expected) Graduation Certificate issued by the highest educational institute in which you were (have been) enrolled.

(Not necessary for those who are expected to graduate from the University of Aizu by the end of March, 2014.)

④ Curriculum Vitae (prescribed form)

(Not necessary for those who are expected to graduate from the University of Aizu by the end of March, 2014.)

(5) Points to note

① Applicants are kindly requested to pay the processing fee when making a money transfer. At the time of payment, about 5,000 yen of the commission for transfer will be necessary per one case. (Please note that the amount of the commission varies by the bank.) In case of a bank transfer, please add 5,000 yen for commission to the total fee. After the money transfer has reached the University's account, a transfer statement from the bank will be sent to you as acknowledgement of receipt. After the prescribed procedure has been completed, the difference between the transferred amount and the fees incurred will be returned upon the relevant student's arrival at the University, or will be returned by a bank transfer.

② Incomplete applications will not be accepted.

Once received, any change in the contents of the application documents will not be accepted. In the case of a change in your address or contact address, you should report

this information immediately to Student Recruiting Section of the University of Aizu.

- ③ Late applications will not be accepted.
- ④ Once received, the application documents and application fee will not be returned under any circumstances.
- ⑤ Should any false statements be discovered in the application documents, admission may be denied, even if admission has been approved.
- ⑥ Applicants with handicaps who may require special considerations to be given for studying at the University must submit an application for consultation (no prescribed form) that describes the items listed below to the Student Affairs Division of the University of Aizu.
  - Applicant's name and address (including applicant's contact telephone number)
  - The name of the educational institute from which the applicant graduated
  - Types and seriousness of disability (those who receive medical treatment must attach a medical certificate.)
  - Specific items requiring special considerations for studying at the University
  - Special measures that had been taken at the educational institute, etc. from which the applicant graduated
  - The applicant's state in daily life
- ⑦ Applicants residing outside Japan must apply for enrollment in courses for a total of at least ten academic credits per semester.

## 5. Selection Method

Successful applicants shall be selected based on screening of documents submitted.

However, admission to the University of Aizu shall be cancelled, if the applicant's application for certificate of eligibility for residence in Japan is rejected by the Immigration Bureau.

## 6. Announcement of Successful Applicants

A notification shall be sent in writing to each successful applicant.

## 7. Admission Procedures

### (1) Admission Procedures and the Period for Completion of Admission Procedures

Documents necessary for admission and the period for completion of admission procedures will be notified to successful applicants when the admission approval announcement is sent to them.

Should any individual fail to complete the admission procedure by the prescribed date, he/she shall be regarded as having declined enrollment in the University.

(2) Where to Complete the Procedure:

The Student Recruiting Section of the Student Affairs Division,  
The Department for Student Affairs, The University of Aizu  
Tsuruga, Ikki-machi, Aizu-Wakamatsu, Fukushima, 965-8580, JAPAN

(3) Admission Fee: 28,200 yen (for AY 2013)

Admission fees must be paid to the designated bank account by the deadline.

(4) Tuition: 14,400yen / per credit (for AY 2013)

Non-degree status students will be requested to pay the tuition in one lump sum for the credits by the last day of the month they are admitted to the University.

※ The admission fee and tuition for AY 2014 (the amounts and the method of payment) are subject to change.
