3. Main Features

(12) Selection of Graduation Thesis Students

① Selecting finalized students

You can review student applications for a graduate thesis theme and close the application period.

You can close the application period and finalize the application details at any time during the thesis topic assignment period.

You can confirm students' applications for each thesis topic.

Check the boxes next to the students whose applications you wish to confirm, then click the "REGISTER THE FINALIZED GT THEME ASSIGNMENT" button to finalize their applications.

Once an application is confirmed, the student will no longer be able to change their thesis topic, even during the thesis topic application period.

When you click the "REGISTER THE FINALIZED GT THEME ASSIGNMENT" button, the application period for the selected theme will close, and the confirmed student applications will be registered.

If you check the "Application closed" checkbox and click the "REGISTER THE FINALIZED GT THEME ASSIGNMENT" button, student applications for these themes will close. Once the application period for a theme has closed, students will no longer be able to apply for that theme.

3. Main Features

(12) Selection of Graduation Thesis Students

② Selection of Ineligible Students

You can select students who are not eligible to apply for your graduate thesis themes.
