Register the finalized GT theme assignment

Review each student's application to the theme. Check the students you wish to confirm, and click the "Register finalized GT theme assignment" button to finalize your choices.

Student's whose assignment has been finalized may no longer change graduate thesis themes, even during the application period.

Checking the "Application closed" box and clicking the "Register finalized GT theme assignment" button will end student applications for these themes. Once application for a theme is closed, students will no longer be able to apply for that theme.

Clicking the "Register finalized GT theme assignment" button will both close applications for selected themes and register finalized student applications.
