Instructions:

1. Do not write in the box marked "*."
2. Carefully fill out the form in block letters. Do not use an erasable pen.
3. Choose one of the examination categories and put a circle in the box.
Note that the application period and examination date differ depending on the examination categories.
4. Circle an application qualification from within those listed in "2. Application Eligibility" of the Application Guidelines.
5. In the "Preferred Department and Field of Study" section, circle one of the listed fields of study.
Note that the field of study must be that of your preferred research advisor.
In addition, if you select PM field, write your preferred project number.
(Reference) <https://u-aizu.ac.jp/en/curriculum/graduate/it-specialists/features/project.html>
6. For the "E-mail" in the "Mailing Address" section, provide an e-mail address that guarantees contact.
7. In the "Graduated from" section, if you have a different situation, write specific explanation such as "graduated after three-year enrollment," "withdrew," etc.
8. In the "Academic and Work History" section, list all your educational background from high school. If you are currently enrolled at a university, provide its admission date.
9. In the "English Proficiency" section, check the box of the applicable test (TOEIC, TOEFL, etc.) and write the score and the test date.
Note that the score must be from a test dated within 2 years before the date of application.
10. Attach a document certifying the payment of the application fee.
