

## Supplementary explanation on the UoA LMS (Moodle3.5) <for Students>

### 1. How to log in

URL <https://elms.u-aizu.ac.jp/login/>

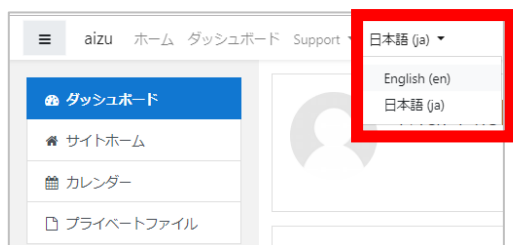

The ID and password are the same as those you use for AINS.

### 2. How to choose the language you use on the site

By default, Moodle detects a user's language from their browser setting. (Japanese/English).

You can change languages in the language menu at the top right of the screen.

### 3. Unavailable time

The LMS is not available between 1:00 a.m. and 7:00 a.m. each day while the information updates.
